Pinot Grigio
California
2015

Our Pinot Grigio is full with a nose that shows hints of peach, pears and sweet lemons. The body is full and gives way to a creamy mid-palate, integrating tropical fruits with the vibrant zing of citrus fruits. Our Pinot Grigio is ready to enjoy immediately upon release and should be able to age in the bottle for one to two years.

Enjoy with bay scallops in a cream sauce, linguine alfredo or simply as an aperitif.

Cabernet Sauvignon
California
2013

This Cabernet Sauvignon gets an "A+" for being true to form. Cabernet Sauvignon is a wonderful grape to work with. Cabernet Sauvignon is one of the few grapes that truly expresses the difference in the soils and vineyard locales. The Cab is dark and deep with its fruit expressions; dark cherries and lush plums dusted with hints of cocoa powder make this Cab stand tall. The pallet is balanced with firm acids and mild tannins. The finish is all of this wrapped up with layers of cedar and oak.

Enjoy this Cab with great BBQ ribs, the kind that actually flip over the Flintstone's family car. Enjoy!

Zinfandel
California
2012

Not all Zin's are created equal, this one is no exception. This Zin is of the Primitivo clone and is loaded with cloves, spice, tobacco and dense strawberries on the nose. When blending this Zin we were reminded of a Christmas mulling spice. Zin's are a true joy to make. Winemakers get a large leeway to express styles and attitude for the wine. Toschi Zin gains its character from the vineyard and boasts its personality from the winery.

The 2009 Zin will complement all types of spicy pasta and BBQ. Try to find a red Pasta sauce that will not surrender to this Zin.

Pinot Noir
California
2014

A long, warm and dry growing season in the Central Valley fully ripened the Pinot Noir grapes, leading to beautiful balance and concentrated flavors. This wine has a brilliant garnet color with supple body, bright red cherry nose with cherry blossom top notes and a hint of exotic spices like cardamom and star anise. Smooth entry with even texture through to the finish with red cherry and pomegranate flavors.

Pinot Noir is well-suited to pair with poultry, beef, fish, ham, lamb and pork. It will play well with creamy sauces, spicy seasonings and may just be one of the world's most versatile food wines.

Muscato
California
Moscato
2015

This Moscato is, “bottled attitude”. Most Muscats are blended and bottled to do one thing, be sweet. The Toschi Muscat is sweet, but it is also full of huge flavors of pink grapefruit, guava, honeydew melons and green apples. The Toschi Muscat is backed up with firm acids to balance off the finish and to not allow the wine to be long and saggy on the finish.

This Muscat is light and refreshing and can be served with bowls of summertime fruits, Enjoy!

White Zinfandel
California

Tasting Notes: California White Zinfandel

Toschi White Zinfandel was developed to be a rouge, a stand-out and true trend setter. This White Zin is filled with bright strawberries, Red Delicious apples, guava and a touch of mango. Firm acidity allows the fruit expression to carry over the palate and end with a soft refreshing aftertaste. Enjoy this wine on the patio and watch the day go by.
